About Reminiscence

2nd Alumni Meet was organized on 7th April 2018 was very successful. We got a wonderful response all the passed out batches. More than 107 Alumni participated from various batches starting from 2011 to 2017. The aims of gathering Alumni of different batches on single platform turned out beautifully & were able to interact with them, share their feelings & suggestions & reveal our expectations from them.

The Inaugural session was followed by cultural programme by our students and alumni. Great bonhomie was observed everywhere with old students reliving their old memories with their batch mates, seniors and juniors. Many of the current students were also seen interacting with their pass out seniors and learning from their experiences. In all, the ambience was electric with people seen chatting and sharing their experience in groups.
