

Sasmira's Institute of Management Studies & Research (SIMSR), Worli, Mumbai organized a visit to *Anand Niketan King George V Memorial* Infirmary Dr. E. Moses Road Mahalaxmi Mumbai on 13<sup>th</sup> Novemeber 2016 at 4:00 pm. All of us were deeply touched when we received a warm welcome from Ms. Pranali Lad (superintendent). There were 65 old age people and infirmary patients. The time spent with them made us feel overwhelmed.

The way the old people talked with us and express their emotions was an enriching experience for life. We donated old clothes the old people were happier than one could possibly imagine; it was a riot of happiness.

This was amongst one of those moments that we can never describe. It was memorable, meaningful and a redeeming evening for all present. The eyes and the smiles of the people in Anand Niketan will linger in our heart for all times to come.

All students felt entrenched with the joy of giving and thus we express our deep sense of gratitude to the college for arranging this journey towards humanity.

All of us are so lost in this fanciful world of opulence that we hardly seem to notice the other half of deprivation. We have all the luxuries, yet we always crave for more and more.

The quote to remember so aptly comes from Mother Teresa herself – “Love until it hurts”.

The drive for collecting and sorting along with students was coordinated by Prof. Rupali More and Dr. Jyotsna Golhar.
